

Dental Imaging Unit

Coverage Overview

Misr Radiology Center

Payer Partnership Presentation

Dental Imaging Unit

- ? Panoramic and cone-beam CT for oral surgery and implants.
- ? Low-radiation protocols for pediatric dental cases.
- ? Digital export compatible with major dental planning software.

? Dental rider benefits may apply ? verify dental vs medical coverage.

? Pre-surgical CBCT often covered under oral surgery benefits.

? Employer dental panels: direct settlement available.

? Dental surgeon referral with treatment plan recommended.

? Medical necessity letter required for TMJ and trauma cases.

? MRC provides standardized imaging request forms for payers.

? Accredited imaging across MRI, CT, PET/CT, ultrasound, and breast imaging.

? Dedicated payer relations desk for pre-auth and claims support.

? Fast turnaround with subspecialty radiologist reporting.

? Preferred partner pathway for AXA members.
