

PET/CT

Coverage Overview

Misr Radiology Center

Payer Partnership Presentation

PET/CT Hybrid Imaging

? Oncology restaging, treatment response, and metabolic mapping.

? FDG and specialty tracers per oncologist protocol.

? Multidisciplinary tumor board support available.

? Covered for approved oncology indications per payer formulary.

? Pre-authorization mandatory; staging vs restaging rules apply.

? Limited annual sessions may apply ? verify member benefits.

? Oncology referral, histopathology, and prior imaging required.

? MRC provides standardized PET/CT justification templates.

? Expedited review for progression-of-disease cases.

? Accredited imaging across MRI, CT, PET/CT, ultrasound, and breast imaging.

? Dedicated payer relations desk for pre-auth and claims support.

? Fast turnaround with subspecialty radiologist reporting.

? Preferred partner pathway for AXA members.
