

MRI

Coverage Overview

Misr Radiology Center

Payer Partnership Presentation

Advanced MRI Diagnostics

- ? High-field MRI for neurological, musculoskeletal, abdominal, and oncologic imaging.
- ? Same-day scheduling for urgent cases with dedicated neuroradiology review.
- ? Contrast protocols aligned with international safety guidelines.

? In-network coverage for medically indicated MRI studies.

? Pre-authorization required for elective and contrast-enhanced scans.

? Member co-pay applies per plan tier; direct billing available.

? Submit clinical indication, prior imaging, and referring physician details.

? Turnaround: 24?48 hours for standard requests; same-day for emergencies.

? MRC provides payer-ready reports and DICOM access on request.

? Accredited imaging across MRI, CT, PET/CT, ultrasound, and breast imaging.

? Dedicated payer relations desk for pre-auth and claims support.

? Fast turnaround with subspecialty radiologist reporting.

? Preferred partner pathway for MetLife members.
